She would like to frequently set up in Lake View this summer and spoke with the Council about where she could set up and asked for consideration about the amount of the solicitors permit fees, which are \$25 for one day and \$100 for one week. The Council discussed locations where transient merchants such as this can set up and also discussed establishing a maximum number of permits to be issued at one time as well as changing the permit fees. Discuss Use of Fireworks

A new state law has been passed allowing the sale and use of fireworks. This law permits cities to limit or ban fireworks use by ordinance. The Council discussed whether to limit the use of fireworks. It was suggested that the use of fireworks not be permitted on city-owned lands including the campground, parks, parking lots, etc. Other than the restriction on City-owned lands, no other limitations were suggested. Motion by Moeller, second by Reis, to instruct the City Clerk/Administrator to prepare an ordinance prohibiting the use of fireworks on City-owned property. Roll call vote: All ayes. Motion carried.

Recycling Trailer

The Council considered purchasing a trailer or a roll-off container to place as a central drop-off for recyclables. Curb-side recycling would continue, and this would be a way to encourage more recycling from residents, visitors, and rural residents. The City Clerk/Administrator reviewed the costs of a trailer or a roll-off. The roll-off is less than half of the cost of the trailer but it would have to be hauled by Rudd Sanitation for a fee. The Council preferred the roll-off. Motion by Steinkamp, second by Moeller, that the City Clerk/Administrator investigate specifications and a firm cost for a roll-off. Roll call vote: All ayes. Motion carried.

The Council will meet in a special session on Monday, May 22nd at 7:00 p.m. to review applications for the Public Works Director position.

Motion by Woltman, second by Steinkamp, to adjourn. On vote: all ayes. Motion carried. Meeting adjourned at 7:59 p.m.
