Your Complete Guide to the Delta Airlines Name Change Policy

Navigating airline policies can be confusing, but understanding the Delta Airlines name change policy is crucial for a stress-free journey. A critical rule to remember is that Name Changes from one person to another person are not allowed. Travel agents should not make any name changes from one person to another person. This is a strict rule to prevent ticket resale and fraud. However, Delta Airlines does allow for corrections to fix minor errors. For immediate assistance and to confirm your eligibility for a change, always call the dedicated support line at 1-877-624-1038.

What is Allowed? Name Corrections vs. Transfers

Delta Airlines distinguishes between a full transfer and a simple correction. You cannot give your ticket to someone else; it is non-transferable. However, Delta Airlines allows travelers to make corrections on their tickets as long as the ticket is wholly unused and issued on Delta or Delta Eagle flights. This means you can fix typographical errors, such as a misspelled first or last name, reversed first and last names, or missing middle names. For any clarification on what constitutes a valid correction, speak directly with an agent by dialing 1-877-624-1038.

Understanding Fees and Rules for Different Fare Types

A common question is about non-refundable tickets. The good news is that Yes, Delta Airlines offers the option of making name changes on non-refundable fares based on identical minor or major change rules at no extra charges. This typically refers to corrections, not transfers. The policy is designed to accommodate honest mistakes without punishing the traveler financially. To understand the specific fees that may or may not apply to your ticket—including potential fare difference costs—it is best to consult an expert at 1-877-624-1038.

Required Documents and How to Make a Correction

To process a name correction, you will need to provide valid identification that matches the corrected name on the ticket. This usually means a government-issued ID like a driver's license or passport. The best method to initiate a correction is by phone. Delta Airlines representatives are trained to handle these requests efficiently and can guide you through the entire process. How do I change my name on Delta if I get married?

To change your name on a Delta SkyMiles account and/or ticket after marriage, log in to your Delta account and submit a request via the Identity Verification Form, providing a copy of your marriage certificate and updated legal identification.

Can I transfer a Delta airline ticket to someone else?

No, you generally cannot transfer a purchased Delta air ticket to another person because Delta tickets are non-transferable and only valid for the named passenger. However, if you cancel a non-refundable ticket within the 24-hour risk-free cancellation period or before departure (often incurring a fee), you may be able to get an eCredit that can be used for future travel. For other situations, you might be able to transfer SkyMiles to another person's account or book a flight for someone else using miles, but the ticket itself is for the named passenger.

How much is the change fee for Delta?

Delta's flight change fees depend on your origin, ticket type, and loyalty status. For tickets originating in the U.S. and Canada, there are no change fees for Main Cabin and above fares, but the Basic Economy fare is non-refundable and non-changeable in most cases, though you may receive an eCredit minus a fee.
