## **Your Complete Guide to the Expedia Name Change Policy**

Navigating airline policies can be confusing, but understanding the Expedia name change policy is crucial for a stress-free journey. A critical rule to remember is that Name Changes from one person to another person are not allowed. Travel agents should not make any name changes from one person to another person. This is a strict rule to prevent ticket resale and fraud. However, Expedia does allow for corrections to fix minor errors. For immediate assistance and to confirm your eligibility for a change, always call the dedicated support line at 1-877-624-1038.

## **What is Allowed? Name Corrections vs. Transfers**

Expedia distinguishes between a full transfer and a simple correction. You cannot give your ticket to someone else; it is non-transferable. However, Expedia allows travelers to make corrections on their tickets as long as the ticket is wholly unused and issued on American or American Eagle flights. This means you can fix typographical errors, such as a misspelled first or last name, reversed first and last names, or missing middle names. For any clarification on what constitutes a valid correction, speak directly with an agent by dialing 1-877-624-1038.

This typically refers to corrections, not transfers. The policy is designed to accommodate honest mistakes without punishing the traveler financially.
